

Dear Valued Friends and Family,

Beginning Wednesday, May 20, at 11 a.m., we will open our doors for dining in a limited capacity and will be ready to serve you with best practices to ensure your safety. To encourage a successful and safe dining experience, we developed many new procedures in our commitment to stop the spread of Covid-19:

KEEPING OUR CUSTOMERS SAFE

- Customers will check in with the host and then can wait in the lobby 6-ft apart, in the comfort of their car, or hang out in our massive parking lot near our fireplace.
- Our building has plenty of expansive seating space in four separate dining areas.
- Our booths have high partitions for separation while dining.
- We removed all seating at center tables to ensure 6-ft social distancing.
- All seating of customers will be done on a staggered rotation basis.
- Our patio is available for outdoor seating.
- *Coming Soon:* We will have "Grab and Go" meals for quicker pick up in our parking lot through a mobile food kitchen.
- We continue to offer curbside pickup and delivery options.

ADHERING TO BEST PRACTICES

- We will use disposable menus to be discarded after each use.
- There will be hand sanitizing stations available throughout the building.
- Extra employees have been added to monitor and disinfect highly trafficked areas on a strict schedule.
- We removed our Sunday Brunch Buffet.
- All handheld order devices will be sanitized after each transaction.

KEEPING OUR SUPERIOR STAFF SAFE & INFORMED

- All staff will wear a protective face mask while in the restaurant.
- All employees will attend daily, pre-shift meetings to stay on top of the ever-changing environment and regulations.
- All servers will keep hand sanitizer and alcohol pads in their aprons to use frequently and before and after every interaction.

We are excited to open and are committed to keeping you safe and healthy. We can't wait to see you again!

Welcome Back,

Kevin & Staff Mackinaws Grill & Spirits
